Dear John,

Drug and alcohol talks fundraising

We were delighted with how yesterday went. Andy is an excellent speaker and really connected very well with our pupils through both his message and his manner. We will look at fundraising for you, but in the meantime, will arrange a cheque as a donation to say a huge thanks for yesterday.

I would like to arrange something for the Summer term again as it is such an important time to remind our pupils of the choices that they have and the consequences poor decisions can have on their futures.

Thanks,

Steve Winter
